### Relaxing Bath Salts

There are few things that relax and restore the body and spirit as a bath scented and softened with fragrant bath salts. Now you can learn how to make bath salts for yourself or for gift giving.

### Dog or Puppy Soap

Do you have a pup with sensitive skin, or a pampered pooch who would not dream of using ordinary DOG soap? Here's some unscented soap that is tough on dirt, yet gentle on skin and fur. 16 Years & Older

### Sensational Skin Scrubs

Do you love using spa scrubs to exfoliate your skin? Now you can make them at home! Learn to combine some commonly available and some not so commonly available ingredients to make the perfect spa scrub formulation for your skin.

### Felted Soap

Learn to wrap soap in wool roving, and gently felt the wool around the soap, creating a colorful wool-felt casing. When used, the felt will shrink along with the soap inside, and will also make the bar last longer. It makes a great exfoliator for your skin, and best of all, wool is naturally anti-fungal and anti-bacterial, so your soap will stay fresh longer.

### Flirty Flip Flops

Show off your toes in a pair of cute & flirty flip flops you can easily make in an afternoon. All you need is an inexpensive pair of flip flops, 1 skein of Fancy Fur yarn and a "G" size crochet hook. No prior crochet experience needed.

### Silken Journey

Learn design layouts & painting techniques while creating your own, one-of-a kind silk painting. Painting on silk begins with a luxurious base of precious pure white silk stretched tightly on a frame.
