#### **VOLUNTEERS!**

There are many opportunities to help throughout the year for your 10 hours of volunteer time:

- We need help with hanging gallery exhibits 4 times a year. This occurs on the Monday and Tuesday immediately following **changeover**. 2D and 3D setup is required along with cleaning!
- We need your help on **Second Saturdays** to click attendance, greet the patrons and talk to first time visitors about the gallery. Although it is a great time to chat with colleagues, it is equally important to talk with the public – you guys are the best people to talk about your work!
- With the 20<sup>th</sup> anniversary coming up your help will be needed. We are planning to make a commemorative anniversary book, a coloring book, a night at the Kingfish, various other specials all leading up to a party in October! Ask Beth how you can help.
- The gallery always can use a little polish! Bathroom **cleaning** days are Wednesday and Saturday – it's a big help to have you sweep or dust.
- We could use your help with **Annual Meeting AND Summer Picnic planning**. Help us find a location for 100 folks and help organize the meeting setup.

*Other important things you need to know...*

**Your full name, the title, media, and price MUST be attached to all of your artwork.** You can use a removable label attached to the wire if you do not want this information on your work permanently. Gallery tags are made directly from your inventory sheet, so write the information neatly and completely. Wall-hung artwork must be wired, no saw-tooth hangers or any other type of hanging device. Artwork is insured in all official gallery locations ONLY if it is on an inventory sheet. We only exhibit original work, not reproductions.

**LSG provides artists personalized inventory labels for all wall-hung artwork.** These numbers allow us to keep track of work that may be exhibited outside the gallery. In general, this means that all wall-hung work needs an inventory label.

**KenoshaUnionParkProject (KUPP)** is a neighborhood development initiative organized by Lemon Street Gallery in 2008. The goal is to encourage artists and their families to establish a diverse, cohesive, safe neighborhood that supports its residents in creative endeavors and small businesses. We work with the neighborhood residents to beautify the Park. Want to share your gardening talents? When you plant, weed or water – that will count toward your volunteer hours. Visit the Facebook page Kenosha Union Park Project to stay informed on the Park activities.

**Please help your gallery help YOU!** Talk up Lemon Street! Invite people you know to visit. Brag about it! Tell your artist-friends to submit works for juried for membership. Update your art images on our website. Ask your friends/family to join Friends of Lemon. Ask them to donate (it's tax-deductible), comment, Like, Invite friends to Like and SHARE our page and posts on Facebook. Follow us on Instagram! Put a business card on the bulletin board at work. Hand a class schedule to your banker, sales person and doctor.
